INTRODUCTION

This guide demonstrates how to locate the step ID of a step within a guide.

This document was generated on 2022-06-12 02:26:49 PM (MST).

Step 1 — Creating a link to a step

- Move your cursor over the **Step Title**. You will notice that a **link icon** displays to the left of the guide title.

- Click on the **Step Title**, and the URL of the guide now has the step ID appended to the end of it.

  - The step ID can be found at the end of the guide URL. The number following the letter **s** is the step ID.

- (i) Once you know the step ID, you can link to individual steps. Just copy the guide URL with the step number included at the end and [create a link](#) as you normally would.
