

How to Export a Guide to a PDF

This guide demonstrates how to export a guide to a PDF.

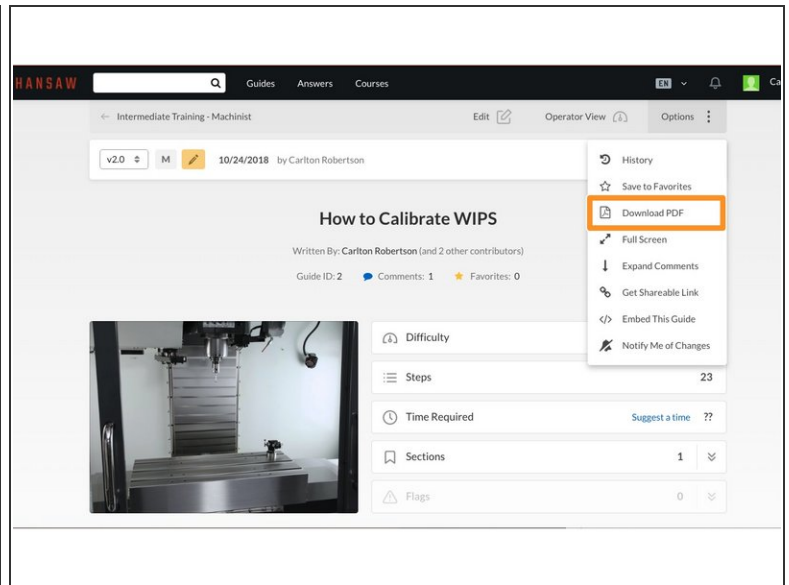

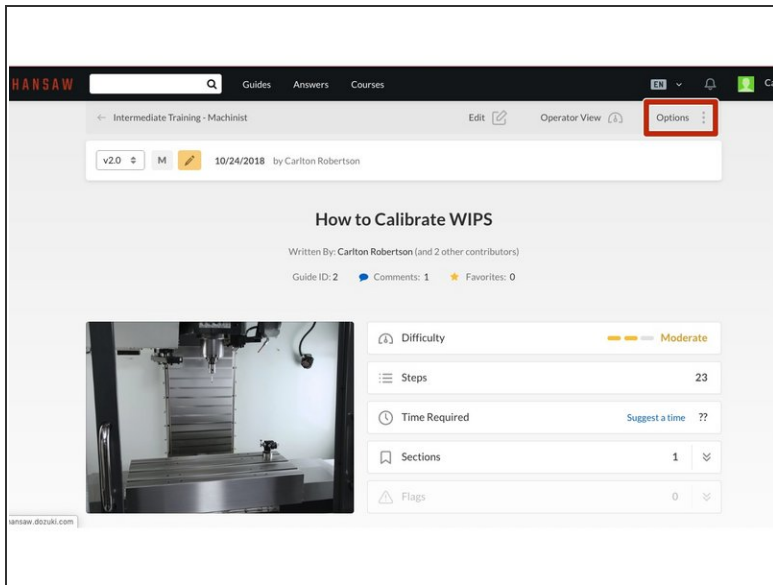

Written By: Dozuki System

INTRODUCTION

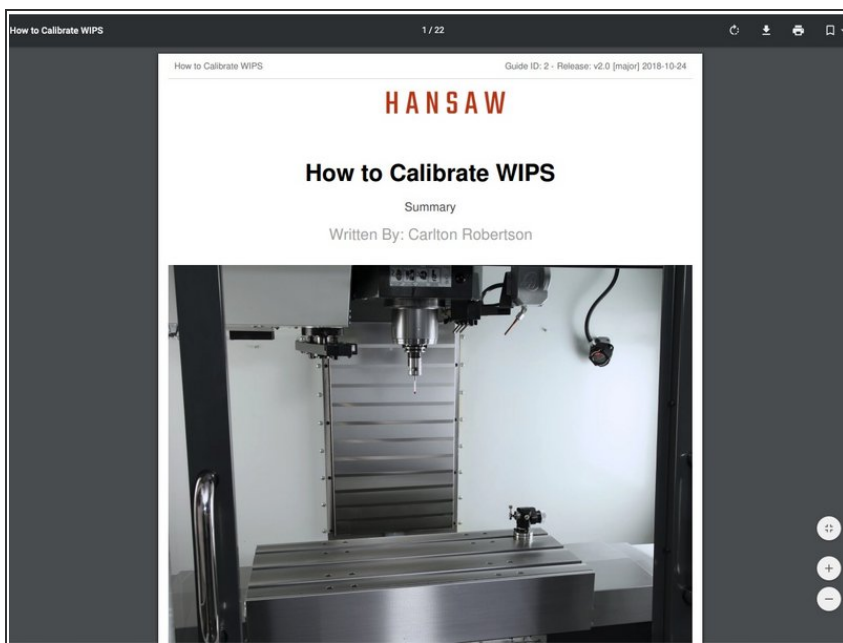

This guide demonstrates how to export a guide to a PDF.

Step 1 — View the Guide

- Click on the **Options** button in the upper-right of the page, beneath the site header.
- Select **Download PDF** from the drop-down menu.

Step 2

- A new page will open with the exported PDF of the Guide document.
