

How to Enable a Course

Learn how to enable a course.

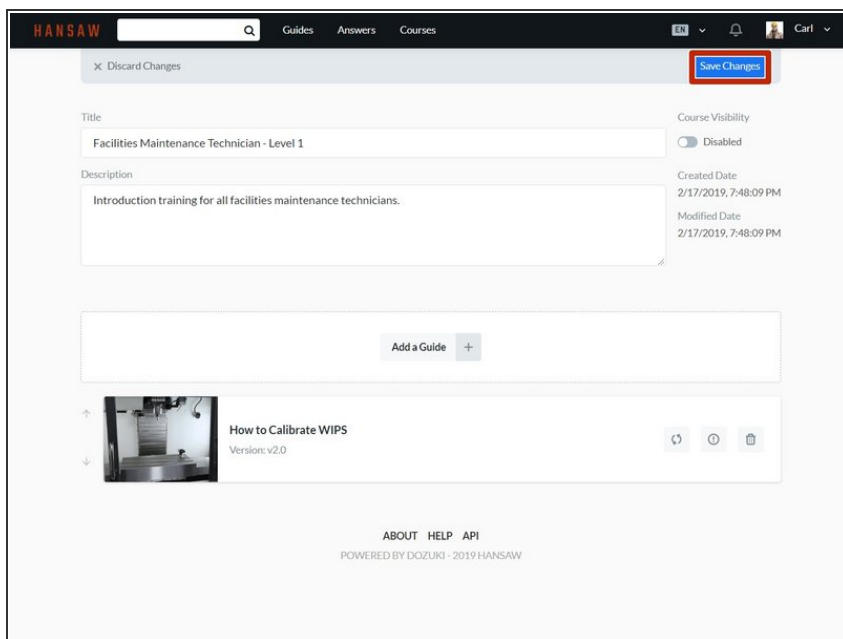

Written By: Dozuki System

Step 1 — Enabling a Course

- Click the **Courses Visibility** toggle to select **Enabled** or **Disabled**.
 - ① **Enabled** courses are visible in the **Assign a Course** window and will be available to assign to users or teams.
 - ① **Disabled** courses will not be visible in the **Assign a Course** window.

Step 2

- To save your edits, click on the **Save Changes** button in the upper-right of the page, beneath the site header.
